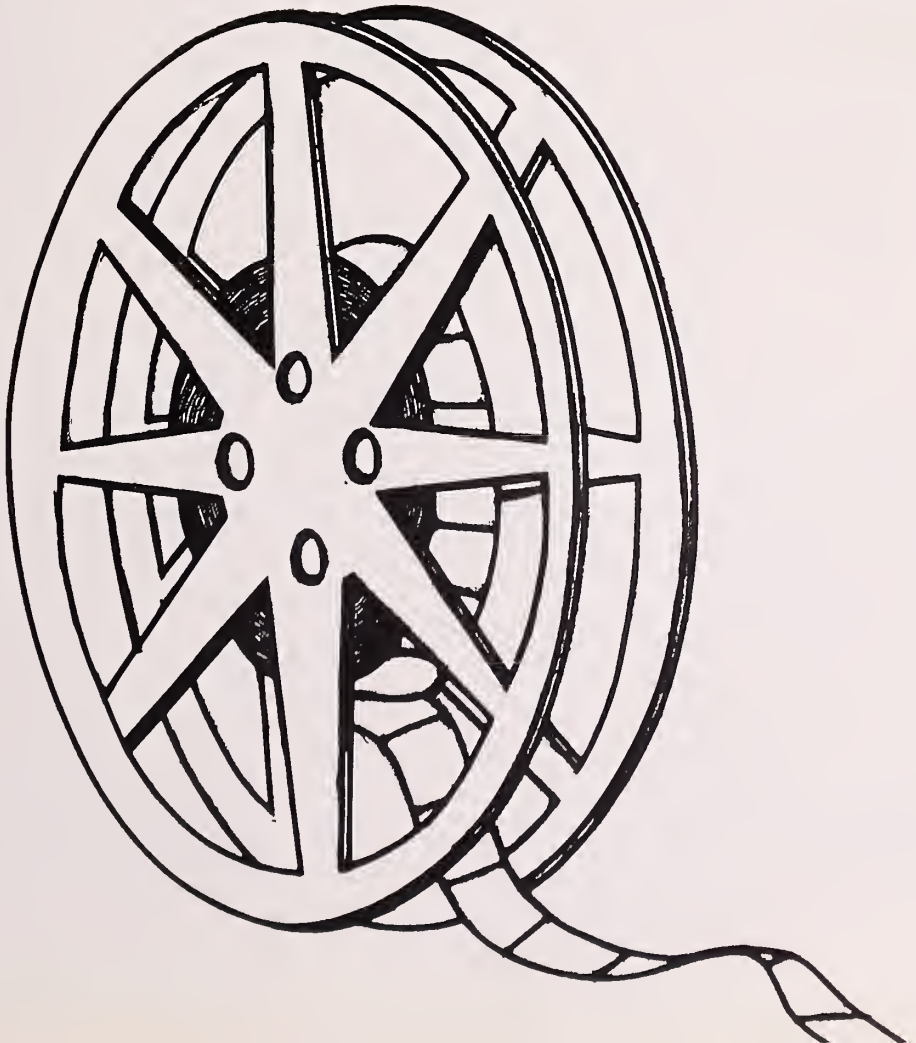
SPORTS



Football

The 1981 Billerica Football team, marked by many close losses, enjoyed decisive victories over Dracut, Haverhill, Greater Lowell, and Greater Lawrence. The squad showed a great deal of talent and desire lead by a tough hard hitting defense and a determined offense.

The team seniors set a good example by giving a 110% effort throughout the season. This effort along with help and support from the talented underclassmen made up a complete team performance for the "Indians." Perhaps there were no superstars as some other High schools depended on, but Billerica worked hard as each individual became a team concious player. It is difficult to build a unit that will jell in such a short season, and as the weeks moved towards what well could be the last football game for most seniors the momentum gained. Team spirit was becoming more evident, coaches and players had become closer as a result. The final trip to the locker room prior to the Thanksgiving Day game found this squad as a family. So for some of us we donned our "green and white" for the last time and for that reason the team played harder than ever before. Hopefully the result of the game can be forgotten as time goes on, but the feelings of representing the "Indians" on the gridion will never be forgotten. On behalf of the other seniors and myself, I would like to Thank the Coaching staff, trainers, and fans for their support.

Field Hockey

Our 1981 field hockey team finished with a very strong second place position, missing a tournament birth by only 8/10%.

They compiled a 6 wins 1 loss 6 ties season record with only 4 goals scored against them; shutting out 10 of 13 teams played.

Linda Mitchell and Marie Cole both were selected as Merrimack Valley All-Stars and All Conference players. Joann Scholl, Laura Love, and Sheila Amigo received honorable mention.

Marie Cole was unanimously nominated as a Globe All-Scholastic because of her outstanding season with 10 shut-outs with 101 shots on goal and tallied 97 saves.

We may not have been the power house team we have been in the past years but our final record of 8 wins, 4 losses and 1 tie is a heckava lot better than most of the other teams in the MVC. Led by seniors George Busnach, Mark Buck (the "B" Boys), Joe Lines, Shawn Coope, Tim Gorman Mike Healy and Chris Pike, Billerica advanced to the MVC play-offs.

We shut out Methuen 3-0 on the strength of Mark Buck's 1 goal and 1 assist. Lawrence fell 2-0 as Joe Lines and George Busnach each set up a goal. Disaster hit as we were bombed by Tweksbury 4-0. We rebounded convincingly against archrival Chelmsford. Lines was sensational with 2 goals and 1 assist while co-captain Busnach was equal with 1 goal and 2 assists. The defense was solid through out the game. Austin Prep upset us 1-0 and then Tim Gorman's goal started us off to bomb Greater Lowell Voke 6-0. We outplayed Lowell High but had to settle for a 0-0 tie even though our defense was again super. Lines exploded for 4 goals in a 6-0 romp over Haverhill. Andover blasted us 4-0 but we came back against Wilmington. Good defense gave us a 2-0 victory. Goalkeeper Shawn Coope was solid as we shutout Greater Lawrence 4-0. We finished the regular season in the 4th place to qualify for the MVC playoffs. We took out our revenge on Austin Prep 2-0 on the strength of Lines' 1 goal and 1 assist and great defense by Mike Healy and Chris Pike. Next we faced undefeated Andover in our stiffest test of the year. After a scoreless 1st half, Lines set up Busnach and Billerica ws ahead 1-0. But finally Andover tied and went on to beat us 2-1 in overtime. Despite losing we let people know that Billerica will always have PRIDE.

Several of our players received post season honors for their efforts. ***Joe Lines***-Team MVP, MVC 1st Team, the MVC-MVP, Eastern Mass Division 1 All Star, Boston Globe All-Scholastic, All State, All New England & Lowell Sun All Star. ***George Busnach***-1st Team MVC ***Chris Pike***-Honorable Mention MVC ***Mark Buck***- Honorable Mention MVC

GIRLS CROSS-COUNTRY

Coach Sampson

Even though the Girls Varsity Cross-Country Team only consisted of 7 members this season, the quantity was not a factor but it was it's quality.

The team led by Captain Kathy Norton and Dawn Hartnett did an outstanding job when they won the Merrimack Valley Championship for the 2nd year in a row posting a perfect record of 8 wins-0 losses. This is the 4th year of competition for Girls Cross-Country in Billerica and the team has an amazing record of 28 wins and 2 losses.

The 7 members of the Championship Team are Junior Kathy Norton, Sophomores Dawn Hartnett, Margaret Norton, Lynda Coye and Seniors Amy Riordan, Lynne Ennis and Carol Mason. Individual honors go to Kathy Norton and Dawn Hartnett who battled in out among each other in races throughout the season. Both runners were the top two runners in the Merrimack Valley League this season. Kathy has the distinctive honor of being also elected to the All-Globe-Scholastic Cross-Country Team for the 1st time. She has an outstanding record in big meet competion. In the Northern Area District Championship, Kathy placed 6th. In the State Coaches Invitational Div I she was 2nd. In the Div I Eastern Mass Championship she was 6th and in the All-State Falmouth Invitational she placed 5th.

Sophomore Dawn Hartnett who also has an incredible record was 9th in the Northern Area Championship, 2nd in the State Coaches Invitational Division I Sophomore Race, 8th in the Div I Eastern Mass. Championship and 9th in the All-State Falmouth Invitational.

Another Merrimack Valley All-Star was Sophomore Lynda Coye who also had an outstanding season. Margaret Norton and Senior Amy Riordan did an excellent job when the team placed 3rd in Div I Eastern Mass. Championship and 3rd in the All-State Falmouth Invitational, for which they ran for the Billerica Track Club.

GIRLS VOLLEYBALL

Coach Steve Connolly

The 1981-2 Billerica Memorial High Volleyball Team was extremely successful posting a 10-2 overall record and a 9-1 League record with the only loss to an undefeated Chelmsford squad. Billerica's wins included eight matches where the opponents did not win a game and one close victory over a highly skilled Methuen contingent. Another high point in the season was an impressive victory over a talented Tewksbury team.

In the League Playoffs Billerica's outstanding team play enabled them to advance to the M.V.C. Championship game and another shot at Chelmsford. After two hard fought games Billerica had to settle for a second place finish. However, the teams solid performance make prospects for a strong showing in the State Tournament and maybe a few upsets a distinct possibility!

The volleyball squad was very team orientated, yet some key individual performances by co-captains Joanie Martell and Patty Lane were outstanding. Seniors playing key rules for the "Indians" were Margie Lang, Cindy MacDonald and Tracy Fopiano, who all illustrated the desire and hustle to win! The loss of these seniors, especially the talented Martell, will make next year very challenging. However, some fine Junior athletes-Jodie O'Brien, Heidi Kennedy, Trish Hallet, Eva Miele, Lee Ann Kelley, Karen Kinsella and Sophomore Ruth Girard, make the prospects for another successful encounter very bright.

The Junior Varsity Team finished the season with 10 straight wins after an opening game defeat. A young team made up of sophomores and freshmen developed rapidly into a cohesive unit that knew how to win. The whole team improved greatly and with some hard work over the summer many of the players will challenge for starting spots on next years team.

BOYS CROSS-COUNTRY

Coach Sampson

The Cross-Country Team had another successful season winning 5 duel meets while losing only one, which was by 1 point.

The team was led by Senior Captain Dave Dunham. Other members of the team consisted of Seniors Bernie Brown, Jim Sullivan, Junior Mike Busnach, Sophomore Kevin Healey, Freshmen Scott McKinnon and Gary DeSarcina and Dave Burns.

The highlight of the season was the team placing 3rd among 39 Teams in the Northern Area District Championships, 4th in the Division I Class Championships with 24 teams competing, and 12th in the Falmouth Invitational at which time they ran for the Billerica Track Club.

Individual honors on the team go to Capt Dave Dunham who was elected to the Globe All-Scholastic Cross-Country Team for the 2nd year in a row. He is one of the only ten runners out of hundreds of runners in Eastern Mass. that were chosen. Dave was undefeated in the Merrimack Valley Duel Meet Competition winning six duel meets. He also was the Division I Eastern Mass. Champion. He placed 4th in the Catholic Memorial Invitational, 2nd in the Northern Area District Championship, 2nd in the State Coaches Invitational and finally 3rd in the All-State Falmouth Invitational. He was also chosen to the Merrimack Valley All Star Team.

Another member of the team who ran extremely well throughout the season and never received much credit and also made the Merrimack Valley All-Stars was Mike Busnach. Mike placed 2nd to Dave Dunham in all six Duel Meets this season. Mike placed 15th in the Catholic Mem. Invitational, 16th in the Northern Area District Championship, 6th in the State Coaches Invitational, and 12th in the Division I Eastern Mass. Championship.

Coach Sampson will also miss the other two seniors, Bernie Brown and Jim Sullivan for their outstanding dedication to the team this season.

1981 Girls Swimming

The Indian Natators completed a successful season with a record of 5 wins 4 losses and a tie. Competition in the North Conference was fierce as usual and the team was in every meet but one going into the final events. A lack of depth was the problem in suffering close losses but that should be solved with a strong nucleus returning for next season.

The team was led by senior tri-captains Karina Davis, Julie Farmer, and Linda Frisoli, who respectively swam the freestyle, individual medley + butterfly and diving and breaststrokes events. One other senior was first year swimmer Kathy Lane who helped by contributing to the freestyle events.

The team was fortunate to have a strong contingent of juniors competing this season. Brenda Christensen was a member of both relays as well as leading the butterfly; Sharon Ferris was a consistent winner in the distance freestyle events; Maryann Harring led the freestyle sprints and the back stroke as well as anchoring the medley relay; Monica Hubert and Maureen Ryan gave good performances in diving and Chris Leonard lent depth to the distance freestyle.

The sophomore contribution was headed by Michele DiBiasio in breaststroke and Lynda Christensen in the individual medley and backstroke along with both being members of the medley relay team. Support also came from Kathy Conaut in the freestyle sprints and breaststroke; Julie Cheu in individual medley and backstroke; Traci Moriconi in freestyle; Paula Morrison in butterfly and Jean Allard in breaststroke. Also displaying promise were freshmen Audrea Frisoli, Joan McHugh and Mara Flannery.

In summation, the team had a successful season. If the team can master the necessary depth the future of swimming at BMHS will certainly be bright.

Football Cheering

The 1981 Football Cheerleaders had a tremendously successful season. Having won many awards at cheering camp the previous summer, the varsity cheerleaders proceeded to display the best and most difficult mounts ever achieved at B.M.H.S.

Led by Captain Sandy Hinkley, the girls provided much needed spirit and enthusiasm at the football games. Seniors Lee Nestor, Michele Hubbard, Leslie Gentile, Pam Justice and Colleen Millerick were superb all season and will really be missed next year. Juniors Lisa Livsey, Susan Canfield, Sandy Gillon, Justine Burke, Lea McLaughlin, and Laurie Patriquin had a great deal to do in making the cheerleaders such a fine squad this season.

The cheerleaders did an outstanding job putting together our football rally. Any cheering squad will have a hard time in matching this year's team in excellence.

The 1981 Billerica Memorial High School Competition Band and Silver Jade Colorguard began its season holding the titles of 1981 US Open New England Nationals Field Show and Parade Champions, 1981 UUs Open Northeastern Nationals Field Show and Parade Champions, and 1981 Killingly Invitational Field Show and Parade Champions, all in open class competition. They also had received a Governor's commendation for excellence in performance, and a Massachusettes General Court resolution for excellence in performance.

The 1981 field director is Cheryl Vaughan. The colorguard captain is Donna Lazzaro, who is assisted by Patti Kenney. Flag Sargeants are Julie Peterson and Lisa Ollenborger. The drum line captain is Paul Trepaney.

The repertoire for the show includes: Excerpts from Firebird Suite-off the line; Chacaca-drum solo; It don't mean a thing if it ain't got that swing-concert; and An American Suite-exit.

This fall, the band competed in five New England Scholastic Band Association competitions. They competed in class A against twelve other bands, and they placed in each of the shows. The colorguard was undefeated in the circuit. The drum line was the first drum line in the history of the circuit to go undefeated the entire season. Cheryl Vaughan was awarded the trophy for best drum major in two of the shows.

At the NESBA finals, Billerica placed third in class A. The Silver Jade Colorguard was chosen as the 1981 NESBA Field Show Colorguard champions, and the drum line was chosen as the 1981 NESBA Field Show drum line champions. All in all, the band and colorguard had a very fine season.

1981-82 Boys Indoor Track

The 1981-82 boys indoor track team had a 4-3 record against very strong competition. Included in the wins were a thrilling relay victory over Lowell with the meet in the balance and an equally exciting 44-42 win over a strong Andover team. Consistent point scorers were tri-captains Jim Sullivan, Kevin Norman and Mike Healey and Dave Dunham, Mike Busnach, Kevin Healey, Jim Wilson, Bernie Brown, Sean Reardon, Bob Campbell, Mike Canfield, Ken Sheehan & Paul Kinsella. Also participating were Marc Wilder and promising newcomers Glenn Burlamachi, Kevin Grace, Gus Silva, Dave Burns, Kevin Leyne, and Chris Breen.

Billerica had some of the states' outstanding individual performers in Dave Dunham, Kevin Norman, and Bob Campbell. Dave set league (9:34) and school (9:25) records in the two-mile and proved himself to be the best runner in the state in his event when he defeated all competition in the State Coaches meet. Kevin set a league record of 33.9 in the 300 yard run before sustaining a pulled hamstring, and Bob jumped to a new school record of 6'4" in the highjump.

Wrestling

This years wrestling team once again enjoyed another outstanding season. With many of last years outstanding wrestlers having graduated, the season started with some question marks at certain weight classes. However, our underclassmen did a tremendous job throughout the season and with only three seniors on this years team the future continues to look bright for Billerica Wrestling.

Girls Indoor Track

The 1981-82 girls team has been led by nine returning seniors: Kathi Hudson, Kathy Jordan, and Amy Riorden were elected captains, with Michelle Clarke, Mary Lappin, Karen McBournie, Cindy MacDonald, Linda Mitchell, and Leona Walsh adding to a victorious spirit that could not be defeated. As a result of this, they came up with an undefeated season making them the Merrimac Valley Champions.

The girls tackled every meet, giving 110%, achieving outstanding personal records and smashing previous league records. The seniors were hosted by a very talented underclassman team whose constant efforts helped to lead them to a league victory.

The teams effort pulled together as a unit of one, fighting for their well-earned victories always thinking of it as a team effort, having a spirit that would not die. The team was coached by Joe Bradford and Shirley Granfield with the constant encouragement of Michael Granfield.

Girls Gymnastics 1982

This years Girls Gymnastics Team is headed by captains Karen Dillon, and Joanne Errico. The team is made up of 14 competitors-8 of which are new to the varsity level.

Girls Gymnastics is comprised of 4 events . . . uneven bars, balance beam, vaulting and floor exercise. Leading the team in points this year is all-around competitor Joanne Errico. Followed closely by 2nd all-around Tracy Smith-both girls are scoring about 23 points per meet.

Leading scorers on uneven bars — Tracy Smith, Captain Joanne Errico & Bernadette Pelletier. On balance beam-top scores were by captain Joanne Errico, captain Karen Dillon & Bernadette Lundy.

Billerica's most outstanding event is the vaulting horse. Reaching scores as high as 8.2. Earning these scores are Justine Burke and Tracy Smith.

Our meet finishes with floor exercise-a combination of acrobatics and dance patterns. Performers are: Tracy Smith, Joanne Errico, Karen Dillon, Lisa Pritchard, and Kathy Harrigan.

Two other members of major importance for team organization are our managers: Brenda O'Toole and Nancy Fitzpatrick.

Boys Gymnastics

This years gymnastics team did a fine job despite many delays in starting the season.

The team was lead by seniors George Busnach, Allan Gifford, John Flaherty, Tom Melindy. George Busnach scored high on the parallel bars, side horse & floor. Alan Gifford helped tremendously with his excellent work on the rings. John Flaherty was the teams all-around performer who received high scores on the high bar, and vaulting. Tom Melindy competed wherever needed and is an excellent gymnast. Sophomore Rick Semonian who is a promising gymnast scored high scores on the floor, and vaulting. Rick would suffer the most if the boys gymnastic team was done away with in 1982-83. Rick dazzled the crowds with his vaulting. He is the best vaulter in the league by far. Another sophmore, Rick Poirier, is a hard worker. He also looks very promising.

Exchange student Mike Keger from Switzerland was also a big boost to the team. He competed in vaulting and parallel bars.

It is possible that there will not be a team next year . . . but the boys gymnastic team is hoping that this won't happen.

Girls Basketball

The 1981-82 girls varsity basketball team enjoyed a successful season even though it was not fully reflected in its won-lost record. The team showed continued improvement throughout the season, which is an important yardstick for measuring success.

The highlight of the year was beating a strong Chelmsford team, which had earlier in the season beaten Billerica by 45 points.

In a rebuilding year, with no returning starters, the young indians bettered the won-lost record of the previous year before the season had drawn to a finish. Seniors making a valuable contribution were Captain Sandy Kirkness, Margie Lang Michelle Flaherty, Darlene McAndrew and Eileen Sullivan

The team was lead in scoring and rebounding by Juniors Heidi Kennedy & Marie Deamantoupoulous. The future also looks bright as the Billerica JV team experienced its first winning season in a number of years.

Boys Basketball

This year the Billerica High Basketball team has posted a league record of 7 wins and 4 losses, and an overall record of 8 wins and 5 losses. Currently the team is in fourth place and charging towards a state playoff birth.

The team had been led by Co-Captains Tim Holey and Dave Vail. Holey has led the league in scoring with a 25 point per-game average. He is the favorite to win the league M.V.P. Holey has had many athletic scholarship offers from colleges but has chosen to go to the University of Middlesex in Bedford.

Other members of the team who have contributed are Wayne Fischer, Tim Coppinger, Dave Perrow, Derek Dixon, Mark Gallison, Sean Hufragel, Dan O'Toole, Mike Dangora, Walter Cataldo, and Mike Dagle.

Hockey

Coming off a fine 13-3-3 season last year Coach Richard's boys are doing it again. Returning from last years team are senior Tri-Captains Tom Dolan, Paul Dussault, & Dave Sampson, seniors Steve Jenkins, Greg Sackos, Steve Capaldo, and Mark Frederickson; Juniors Mike McCaffery, Mike Hernon, Rick Milliken, Paul Ames, Paul "snake" DeGironimo; Sophomores Tom Ervin, and Tom "silk" Glavine; new faces to the team are juniors Jack McHugh and George Gorman; sophmores Mark Catanzano, Greg Eaton, Bill Boyle, Rich Sampson, and freshman Dave Melvin (goalie).

Running up 14 straight wins to win MVC regular season, they looked unbeatable. With impressive wins over Austin 2-1, Chelmsford 6-2, Wilmington 2-0, Methuen 4-2, Lowell 9-2, the boys whitewashed the rest of the league. Perhaps complacency set in during league play-offs as they lost a tough Chelmsford 4-3. They bounced back to a 5-0 win over Methuen before dropping to Wilmington 3-0. Back on the right track the boys beat Lowell 4-3. Going into the last two games vs. Austin and Newton South with a 16-2 record, the Indians will enter the State Tournament with a top seed eyeing the Boston Garden.

Winter Cheering

The 1981-82 Winter Cheering Squad did a superlative job during the winter sports season. Under new format, the girls cheered at all varsity basketball and hockey games which presented a very busy schedule. The cheerleaders provided great sparks for our teams and also presented a very exciting winter sports rally which was enjoyed by the entire student body.

Under the very able leadership of senior Co-Captains Diane Niemiec & Tracy Fopiano, the cheerleaders built spirit for our team. We will miss seniors Nancy Collins, Lynne Ennis, Maureen Griffin, Linda MacDonald, Lori Severo, & LeAn Wilcox. These girls gave their best effort all season.

Juniors Jeanne DiPietro, Erin Ekberg, Donna Garron, & Renee Vacherot added terrific support to the squad. It was a spirited, exciting season for winter cheering.

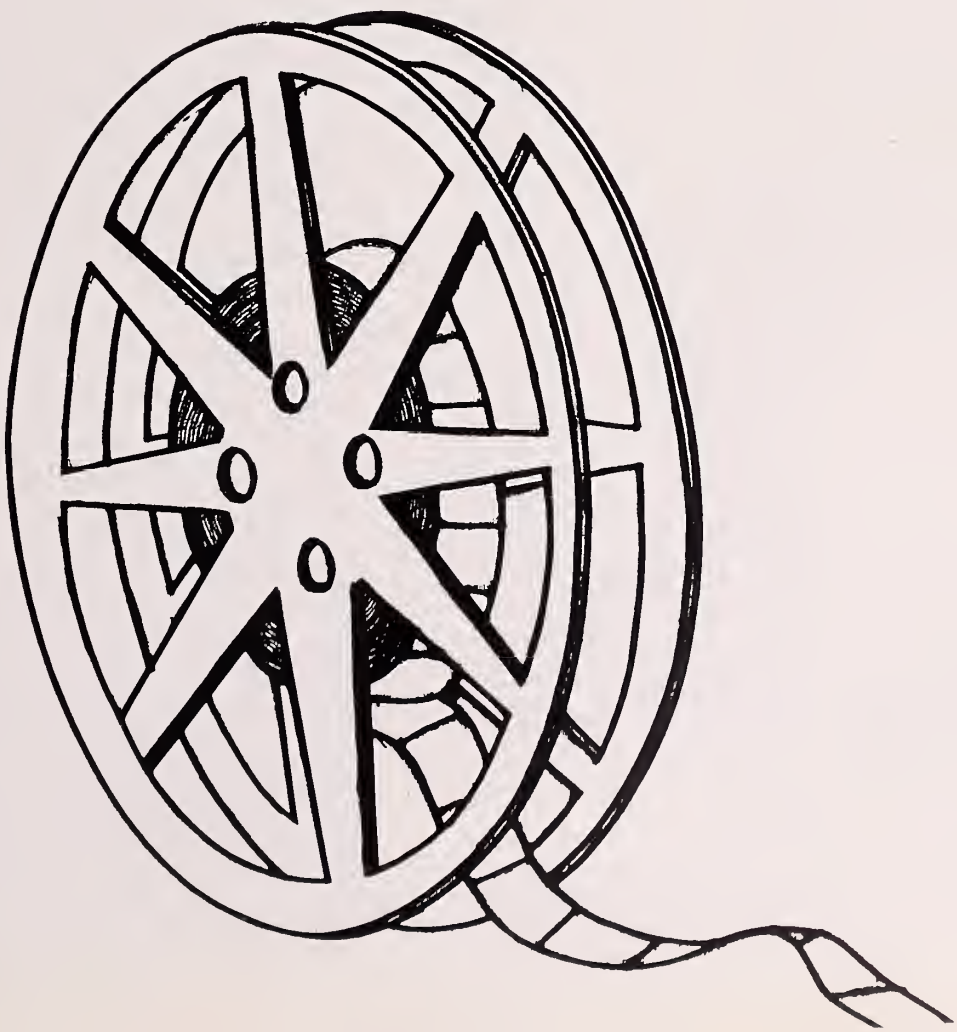
FACULTY ADMINISTRATION



To The Graduating Class OF 1982:

You have successfully completed high school and have built a foundation of knowledge and wisdom for the future. The amount of effort extended by you over the past four years has determined how strong that foundation is. As you continue your life in this world of complexities, reinforce that foundation and strive for excellence in whatever business, trade, or profession you pursue.

Sincerely,
Paul J. Heffernan
Superintendent of Schools

Mr. David J. Nuttall

To Members of the Class of 1982:

It gives me great pleasure to congratulate you on having successfully completed the requirements for your high school diploma.

Many of you will reflect in years to come on how your class underwent the uncertainties of Proposition 2½. Would you have the subject you had selected? Would you have to walk to school instead of riding on the bus? Would your favorite sport be eliminated?

As you know, we made quite a few changes, but to the best of my knowledge, none of the changes we made affected your basic education. Instead, it removed many of the privileges you use to enjoy such as the longer lunch periods, the cafeteria snack bar and many of the extra curricular activities.

Even with the marked increase in the price of your school lunch you acted as responsible adults and gave your full cooperation under sometime difficult circumstances.

Again, please accept my sincere thanks. You are all to be commended.

Sincerely,
William Archambault
Principal

Mr. Sarno

Mr. Alcott

Mr. Durgin

Mr. DerMarderosian
